

NAVIGATE THE HEALTH OF YOUR DATA PROTECTION

WITH A CIO'S EXPERTISE AND BEST PRACTICES

Webcast

A Case Study with Touchstone Behavioral Health

Thursday, April 5th 1 pm CT with CIO, Steven Porter

REGISTER NOW »

Healthcare organizations are often viewed under a microscope.

Join Steven Porter, CIO of Touchstone Behavioral Health, as he discusses the challenges he's navigated and best practices he leverages when it comes to data protection.

Steven will share his perspective on:

- Recent Meaningful Use Proposals
- How he navigates the BYOD trend and the cloud
- And how he ensures data protection and compliance
